Re: Weather Related Procedures

It is that time of year when weather could impact our school days. Just a reminder, we typically follow the Chambersburg Area School District when it comes to delays and closures, and we do consult with all 5 school districts that provide transportation for our students. Here are Corpus Christi School's options during school closures:

- **FID (Flexible Instruction Day)**, the PA Dept of Education authorizes us to use 5 FIDs throughout the school year. An FID does not include live instruction. Teachers will provide assignments via paper packets, Google classroom, Rediker, or Seesaw. These assignments are due within 3 days of return to school. If assignments are turned in within 3 days of return the student will be marked present for the day(s) off due to closure, if they are not turned in within the 3 days, the student will be marked absent for that day.
- **Virtual Learning Days**, these are live-instruction days via Zoom, Google classroom, or Seesaw. Teachers will instruct students virtually. Students will be provided links and a schedule. Attendance will be taken during the lessons, and assignments will be due according to the teacher's guidance. Virtual Instruction Days may be used if we exhaust the 5 FIDs allotted. When a traditional snow day is used, students are off during the closure and the day will be made up according to the school calendar. If a school closure is decided prior to the snow day, we will plan for an FID or Virtual Learning Day on the day of the closure. If a closure is decided in the morning we will use a traditional snow day. Information will be provided to families as it becomes available.
- **Students from districts other than CASD**, if Shippensburg, Greencastle, Waynesboro, or Tuscarora is closed and Chambersburg is not, students living in those areas are welcome to find transportation to Corpus Christi School, and will not be marked absent.

There are several ways you can find out if inclement weather has impacted school opening or closing. They are as follows:

- **Radio and Television Stations** - WCHA, MIX 95, and 92.1 radio stations announce closings. ABC 27, WGAL 8, and TV 25 out of Hagerstown announce closings and delays as well.
- **Automated call/text/email system** - this is in place to notify parents/guardians of emergencies and unscheduled early dismissals due to unforeseen circumstances.

Please note:

- Make sure we have the latest emergency contact number in our system.
- Make sure your child knows where he/she should go in the event of an emergency closing.
