## Summer Reading 2023

In order to foster a love of reading and keep up with our reading skills, the middle school teachers have gotten together for a simple summer reading assignment that helps your student explore different genres! Completing this optional assignment will be used as a ticket for a reward once your child returns to school!

Students will need to complete each of these to earn the reward:

1. ILA: Read a fiction book of your choice!
2. Social Studies: Read a biography OR historical fiction of your choice!
3. Science: Read a biography of a scientist OR a science fiction book of your choice!

In addition, the Diocese requires that students read books that meet a certain page requirement. Reading these books that complete the minimum page requirement can be added to your child's yearly school reading $\log$ for Ms. Freeman.

1. 6th grade: 100 pages of story text minimum
2. 7th grade: 150 pages of story text minimum
3. 8th grade: 175 pages of story text minimum

Books can certainly go over the minimum requirement! Be sure to fill out the back of this page with your books!

Enjoy reading and we'll see you next year!

Sincerely,
The Middle School Team
