My signature on this contract indicates that I am aware of and completely understand the rules and regulations that apply to students and parents/guardians at Corpus Christi Catholic School. I also understand that education of a student is a partnership between parents/guardians and the school. All students are on a 90 day probationary status, and as the parent/guardian has the right to withdraw a child, the school administration also reserves the right to require withdrawal of a student in alignment with the handbook ie: academic achievement, discipline/social behavior and attendance record. Any withdrawal after the 90 day probationary period will result in the fulfillment of this contract.
